P. 1.

2. The Ratkaur Elec. Supply Coy. requests Govt. to permit an increase in its rates for supply of power from as. 6 to as. 9 per unit. No papers on the subject seem to have been received in this Office as stated in para 1 of Coy's letter at p. 1 of C.S. Perhaps the papers referred to might have been received by the El. Engr's.

3. The rates for the supply of energy are now governed by the Electy (Supply) Act 1948. In accordance with clause (1) of the Sixth

Schedule thereto a licensee can adjust his rates by periodical revision with due regard to the provisions of that Schedule.

2. It is not known whether the Supply Coy. has been granted a license under the I.E. Act 1910. If no license has been granted to the Coy., concrete proposals in the matter will have to be made by the El. Engr.

3. These papers may be referred no. 6 the El. Engr. for remarks in the first instance.

2. The papers referred to in para 2 of the O.N. at p.1 ante have since been received from the Commr., C.D. It will be seen from the papers that the Supply Coy's request for increasing its rates for supply of energy from 6 annas to 9 annas a unit has been considered by the Administrator, Jaunkhandi and the Commr., C.D. The former has recommended the increase in rates applied for by the Coy. and the latter has observed that the licensees cannot exceed the maximum rates fixed in their license unless the license is suitably amended. It may be stated in this connection that the Matheran Elec. Supply Coy has held that under the provisions of Sch Sixth Schedule to the Elect (supply) Act 1948 a licensee can increase his rates for supply even beyond the maxima prescribed in his license and it is not necessary for him to obtain Govt sanction in that matter. The papers on the subject are with the H.M. P.W.D. Since 24-9-49. If the view held by the Matheran Elec. Supply is found to be correct the Rajkarni Elec. Supply Coy. will be free to adjust its rates suitably under

under the provisions of the sixth schedule referred to above. This may await the decision on the point raised by the Matheran Electy Coy.

3. It will also be seen from the papers submitted by the Commr, C.D., that the Rabkavi Elec. License 1937 has been granted by Sangli Darbar under the I.E. Act 1910 as applied to that state. The question whether such licenses, granted by the states, should be held valid or a fresh license should be granted in these cases, has been referred u/o. to the R.L.A. for his advice. ~~Action~~ Action for regularising the grant of Rabkavi Elec. license may be taken, if necy., after the receipt of the R.L.A's advice.

Office of the R. L. A.

Indian Electricity Act, 1910.
Whether licences granted for supply of energy at Kolhapur, Miraj, Kurundwad etc. are valid under -

The question for the consideration of the R.L.A. are -

(1) Whether the licenses granted for the supply of electricity at Kolhapur, Miraj and Kurundwad are to be treated as valid for fresh licences are required to be issued under the Indian Electricity Act, 1910;

(2) Whether the agreement for the supply of electricity at Ichalkaranji between the Ichalkaranji Electric Supply Company and the Jahagirdar continues to be in force or whether a licence is necessary.

2. The cases of Miraj and Kurundwad are governed by the provisions of the Indian States (Application of Laws) Order, 1948, and that of Kolhapur by the Kolhapur State (Application of Laws) Order, 1949. Under sub-paragraph (1) of paragraph 3 of the Indian States (Application of Laws) Order, 1948, read with Schedule II thereto the provisions of the Indian Electricity Act, 1910, have been brought into force in the Miraj and Kurundwad States. Under paragraph 5 of all enactments in force in the said States and corresponding to the enactments in force in the Province and brought into force by paragraph 3 have been repealed, subject to the proviso that such repeal shall not affect the validity, invalidity, effect or consequence of anything already done or suffered or any right, title, obligation or liability already acquired, accrued or incurred, etc. The Indian Electricity Act, 1910, having been brought into force in these two States the said Act as applied to those States has been repealed. But the licences granted to the Miraj Electric Supply Company and the Kurundwad Electric Supply Company will continue in force. Provisions similar to those referred to above also find place in paragraphs 3 and 5 of the Kolhapur State (Application of Laws) Order, 1949 and consequently the Kolhapur Electric Licence, 1920, also continues in force.

3. In the case of Ichalkaranji the Electricity Company had entered into an agreement with the Jahagirdar of Ichalkaranji for the supply of electricity. No licence under the Electricity Act has been granted in this case and therefore the question whether the Kolhapur State (Application of Laws) Order, 1949, applies does not arise. The legal position in respect of agreements entered into with the rulers of merged States has been clearly stated by the R.L.A. in a number of opinions. As observed by the R.L.A. in his opinion No.331-Confl., dated 24-6-1948 (Rajpipla Electric Power House Case) it has been repeatedly ruled that in the cases of cession of territory, any inhabitant of the territory can only make good in the municipal courts established by the new sovereign such rights as a sovereign has through his officers recognised. Such rights as he had under the rule of the predecessors avail him nothing against the new Government, and could not be asserted in the Court established by that Government except so far as they had been recognised by the new sovereign power. Presumably in the agreement entered into by the Maharaja of Kolhapur (to which Ichalkaranji was attached as a Jahagir) with the Dominion there is no provision requiring the Provincial Government to respect any such agreements. The agreement entered into by the Ichalkaranji Electric Supply Company will not in that case be legally binding on the Provincial Government. However it will be a matter of policy for the Provincial Government to decide whether the agreement should be allowed to continue. But in any case the company will have to apply for a licence or permit under the Indian Electricity Act, 1910, for to allow it to supply energy without a licence or permit would be in contravention of the provisions of the Act.

2. The Cambay licansees were advised to apply to Govt. for necy. amendments to their license to make it confirm to the model form of license. It will be seen from the licensee's letter within that they are not prepared to act up to the advice given by Government unless the Association of Electrical Undertakings, Bombay Province tells them to comply. Many other licensees have also shown the same attitude to the Government proposal to amend their licenses. The Association is objecting to certain provisions in the model form since long, on the grounds that some of them are inconsist with certain provisions of the Electricity(Supply) Act 1948 and that those provisions are discouraging genuine business enterprise. It has therefore been decided to revise the conditions of the model form suitably and the El. Engr. and the C.E.,B.E.G. have been requested to make suggestions in the matter.

3. The licensees in the merged areas are not co-operating with Government in the matter of amendments to their licenses presumably because they are so advised by the Association. The position with regard to the provisions of the I.E.Act is that the necy. amendments, as required by Govt. are to be made with the consent of the licensee vide Section 4(3)(b) of the I.E.Act 1910. With a view to gain the necy. co-operation of the licensees in this matter the El. Engr. and the C.E.,B.E.G. have been requested to consult the Association on the question of the revision of the conditions of the model form. It may therefore be advisable to defer the question of making amendments to the licenses in the merged areas till the model form is revised.

2. The Electrical Engineer refers to paragraph 6 of the Association of Electrical Undertaking's report regarding Merged State Licenses and states that the licensees are not inclined to accept the conditions of the model form and as a result, no progress has so far been made in amending those licenses to make them conform to the model form. He suggests that some definite policy be devised, in consultation with the Association, and a set of conditions be agreed upon so as to facilitate the regularisation of licenses in the merged state areas. The Chief Engineer, Bombay Electric Grid, has seen these papers.

3. The above position has been brought to the notice of Government in the office note on the question of amendments to our model form. The association is opposed to certain provision in the model form on the grounds that they are inconsistant with the provisions of the Electricity (Supply) Act, 1948 and that those provisions are discouraging genuine business enterprise. The licensees in merged areas are not cooperating with Government in the matter of amendments to their licenses presumably on the advice of the Association.

4. The legal position is that the licenses granted by the merged states under the provision of the Electricity (Supply) Act, 1948 or a parallel Act of the State have been held to be valid. The necessary amendments required by Government are therefore now to be made with the /consent of the licensee vide section 4(3)(b) of the above Act, and hence the Electrical Engineer has suggested that some definite policy may be devised in the matter of amendments to the licenses in question.

X 5. One solution to the problem is to amend the existing model form suitably with due regard to the provisions of the Electricity (Supply) Act and the opposition of the Association. The Electrical Engineer and the Chief Engineer, Bombay Electric Grid, have been separately instructed to make suggestions for the amendments to the model form and they have been also advised to consult the Association in the matter with a view to facilitate the question of regularising the licenses in the merged areas with the active cooperation of the Association. The Electrical Engineer will take up the question of regularising the licenses in question with the Association, conclusively, A while consulting it on the question of amendments to the model form of license. Further developments may be awaited after showing this un-officially to the Electrical Engineer for confirming 'A' above.

X.- The remedy is worse than the disease and is an admission of incorrectness of Model Form.

We should keep in suspension the question of amending merged area licenses but take up individual cases when the companies are likely to be amenable to argument - e.g. when they default or need some substantive amendment for a license.

We have been corresponding with you the administration Sangli since August 1948 to allow us to increase the unit rate from As.-/6/- to As.-/9/-per unit, but as yet nothing has been done about it. And now we have been given to understand that the papers on the above subject have been forwarded to your office for disposel.

All the supply companies in the district and outside have been granted permission to increase the unit rate and in some cases a surcharge of 33% has been allowed since longas the prices of Electrical goods, oil, cost of labour etc. have gone up enormously since the last war.

We therefore request you to kindly allow us to increase the unit rate from As.-/6/- to as.-/9/- per -

ಸಜ್ಜ್ಯ ಗೃಹಸ್ಥರೀ,

ನಮ್ಮ ಕಂಪನಿಯು ಸನ್ ೧೯೪೬ ಮತ್ತು ೧೯೪೭ ಸಾಲಿನ ಬಗ್ಗೆ ಮೆ॥ ಡಿ. ಬಿ. **ಕುಲಕರ್ಣಿ ಅ್ಯಂಡ ಕಂಪನಿ** ರಜಿಸ್ಟರ್ಡ ಅಕಾವುಂಟೆಂಟ್ಸ್ ಇವರು ತಪಾಸಮಾಡಿ ತಯಾರಮಾಡಿದ ಆಫಾವ ಮತ್ತು ಲಾಭಹಾನಿ ಪತ್ರಿಕೆಗಳನ್ನು ತಮ್ಮೆಲ್ಲರ ಮುಂದೆ ಇಡಲು ನಮಗೆ ಬಹಳ ಆನಂದವೆನಿಸುತ್ತದೆ.

ಸನ್ ೧೯೪೫, ೧೯೪೬, ಮತ್ತು ೧೯೪೭ ಸಾಲದ ಲಾಭಹಾನಿ ಪತ್ರಿಕೆಗಳನ್ನು ಪರಿಶೀಲಿಸಲಾಗಿ ಕಂಪನಿಯ ಪರಿಸ್ಥಿತಿಯು ಉರ್ಜಿತಾವಸ್ಥೆಯಲ್ಲಿದ್ದು ದಿನದಿನಕ್ಕೆ ಸುಧಾರಿಸುತ್ತ ನಡೆದದ್ದು ಕಂಡುಬರುತ್ತದೆ. ಕಂಪನಿಗೆ ಸನ್ ೧೯೪೫ ಸಾಲದಲ್ಲಿ ರೂ. ೧೯೦—೧೦—೨ ಹಾನಿಯಾಗಿತ್ತು. ಆದರೆ ಸನ್ ೧೯೪೬ ಸಾಲದಲ್ಲಿ ರೂ. ೬೯೬—೮—೨ ಮತ್ತು ೧೯೪೭ ಸಾಲದಲ್ಲಿ ರೂ. ೩೭೦—೦—೦ ಹೀಗೆ ಲಾಭವಾಗಿರುತ್ತದೆ ಆದರೆ ಸನ್ ೧೯೪೭ ಸಾಲದಲ್ಲಿ ಕಂಪನಿಯು ರೂ. ೧೫೫೭—೧೦—೦ ಬಡ್ಡಿ ಕೊಡಬೇಕಾದ್ದರಿಂದ ಹೆಚ್ಚಿಗೆ ಲಾಭವಾಗಿರುವದಿಲ್ಲ. ಮೇಲಿ ಕಾಣಿಸಿದ ಸಂಖ್ಯೆಗಳ ಮೇಲಿಂದ ಒಂದೇ ಸವನೆ ಹಾನಿಯಲ್ಲಿ ಇದ್ದ ಕಂಪನಿಯ ಪರಿಸ್ಥಿತಿಯು ಈಗ್ಗೆ ದಿನದಿನಕ್ಕೆ ಸುಧಾರಿಸುತ್ತ ನಡೆದಿರುತ್ತದೆಂದು ಹೇಳಲಿಕ್ಕೆ ನಮಗೆ ಅತ್ಯಾನಂದವೆನಿಸುತ್ತದೆ.

ಇನ್ನು ಮೇಲೆ ಕಂಪನಿಯ ಪರಿಸ್ಥಿತಿಯು ಸುಧಾರಿಸಿ ಹೆಚ್ಚಿಗೆ ಲಾಭವಾಗುವಂತೆ ಮಾಡಬೇಕೆಂದು ತಮ್ಮೆಲ್ಲರಿಗೆ ಅನಿಸುತ್ತಿದ್ದರೆ ಹೊಸದಾಗಿ ಶೇಅರ್ಸ ಭಂಡವಾಳ ಕೂಡಿಸಿ ಸದ್ಯಕ್ಕೆ ಕಂಪನಿಗೆ ಇದ್ದ ೫೯೭೫೧—೦—೦ ರೂ. ಸಾಲವನ್ನು ತೀರಿಸುವದು ಅತ್ಯಂತ ಅವಶ್ಯದ ಮತ್ತು ಹಿತಕರವಾದ ಸಂಗತಿ ಆದೆ. ಸದ್ಯಕ್ಕೆ ಸುಮಾರು ೪೦,೦೦೦ ರೂ. ಶೇಅರ ರೂಪದಿಂದ ಕೂಡಿಸಿಕೊಡಲಿಕ್ಕೆ ತಾವೆಲ್ಲರು ಮದತಮಾಡಬೇಕೆಂದು ನಮ್ಮ ಕಳಕಳಿಯ ವಿನಂತಿಯಿದೆ. ಸದರಿ ವರ್ಷದಲ್ಲಿ ದಿ ಸಾಂಗಲಿ ಬ್ಯಾಂಕ ಲಿ. ಸಾಂಗಲಿ ಇವರ ಕಡೆಯಿಂದ ನೂರಕ್ಕೆ ೪॥ ದಂತೆ ೨೫,೦೦೦ ರೂಪಾಯಿ ಮತ್ತು ಮೆ॥ ಶ್ರೀ. ರಾ. ಪಿಸೆ ಇವರಿಂದ ನೂರಕ್ಕೆ ೯ ರಂತೆ ೧೪೭೫೧—೦—೦ ರೂಪಾಯಿ ಹೀಗೆ ಒಟ್ಟು ೪೯೭೫೧ ರೂ. ಕಂಪನಿಗೆ ಸಾಲ ರೂಪದಿಂದ ತೆಗೆದುಕೊಂಡಿರುತ್ತದೆ.

ಸನ್ ೧೯೪೭ ಸಾಲದಲ್ಲಿ ೨೨॥ ಅಶ್ವಶಕ್ತಿಯ ಇಂಜಿನ್ ಸಲುವಾಗಿ ಹೊಸ ಶಾಫ್ಟ ಮತ್ತು ದೊಡ್ಡ ಇಂಜಿನ್ ಸಲುವಾಗಿ ೩೬ ಕೆಲೊವ್ಯಾಟದ ಹೊಸ ಡಾಯಿನಮೊ ಮತ್ತು ಅದಕ್ಕೆ ಸಂಭಂಧಿಸಿದ ಪುಲಿ, ಶಾಫ್ಟ ಮತ್ತು ಎಲ್ಲ ತರದ ಸ್ಪೇಅರ ಪಾರ್ಟ್ಸಗಳನ್ನು ತಂದು, ಕಂಪನಿಯ ಮೂರೂ ಇಂಜಿನ್‌ಗಳನ್ನು ಉತ್ತಮ ಸ್ಥಿತಿಯಲ್ಲಿ ಇಟ್ಟಿರುತ್ತೇವೆ.

ಲಾಯಿನ ಸಲುವಾಗಿ ಕಬ್ಬಿಣ ಕಂಬಗಳನ್ನು ಮತ್ತು ತಾಂಬ್ರದ ತಂತಿ ವಗೈರೆ ತಂದು ಸದ್ಯಕ್ಕೆ ಹೊಸದಾಗಿ ಲಾಯಿನ ಹಾಕುವ ಕೆಲಸವು ಆರಂಭವಿದೆ. ಅದರ ಸಲುವಾಗಿ ಓವ್ಹರಹೆಡ್ ಲಾಯಿನದಲ್ಲಿ ಹೆಚ್ಚಿಗೆ ಭಂಡವಾಳ ತೊಡಕಿದೆ ಇದು ಅಲ್ಲದೆ ದೊಡ್ಡ (೬೫ ಹಾ. ಪಾ.) ಮಶಿನದ ಸುರಕ್ಷಿತೆಯ ಸಲುವಾಗಿ ಸಿಮೆಂಟ ಪತ್ರಿಗಳನ್ನು ಹಾಕಿದೆ.

ಒಟ್ಟಿನ ಮೇಲೆ ಕಂಪನಿಯ ಆಡಳತೆಯು ಆಶಾದಾಯಕವಿದೆ. ಅದನ್ನು ಹೆಚ್ಚು ಉರ್ಜಿತಾವಸ್ಥೆಗೆ ಒಯ್ಯುವದು ತಮ್ಮೆಲ್ಲರೆನ್ನು ಕೂಡಿಕೊಂಡಿರುತ್ತದೆ.

The Chief Administrator,
SANGLI.

Subject:- Permission to increase Unit Rate from As.6/- to As. 9/- per Unit.

Sir,

2 We beg to put forth the following few lines for your kind consideration and approval.

3 The license of the said Co. which was previously issued in the name of Mr.S.G.Nadgauda,of Rabkavi the ~~then~~ Managing Director of the Co. was subsequently transferred in the name of the "Rabkavi Electric Supply Co,,Ltd," by a Resolution of the State Executive Council Sangli under No.BK I 116(a) dated the 8th Sept 1939(copy of which is enclosed herewith for persual),

4 Under the existing license terms,(copy of the license is enclosed) we are allowed to charge the consumer As.6 only per unit consumed. This rate was allowed prior to the last World War II when the raw materials were available at cheap rates. Now the prices of the raw materials viz, crude oil, and other electrical requirements of the Power House are increased abnormally.

5 Secondly the salaries of the Staff members have been increased and shall have still to be increased according to the present situation of living.

6 Thirdly the Co. ~~is~~ since its commencement of business i.e. ~~from to~~ Rs. 14577/13/11 Sheet of the Co for the last two years showing detailed descrip-tion is attached).

7 Thus we beg to submit that the most moderate cost of production would be more than two times the pre-war level.We also learn that the Power Houses at Jamkhandi,Athani, Madhavnagar, Ichalkaranji, Belgaum and Gadag and at other places have been authorised to charge an enhanced rate of As.9 per unit.

8 In view of the circumstances stated above we beg your permission to kindly allow us to charge As.9 per Unit and oblige.

Yours Faithfully,

2. The managing Director, the Rabkavi Electric Power supply Co. Rabkavi has requsted for sanction to increase the Rate of Unit charge from As.6 to As.9 per Unit. Information about the exhisting Unit charges from different Power Houses in this part of the District had been called. The information received in this connection from the Power Houses is enclosed herewith for favour of perusal. While going through these references the U/S thinks that there is no objection to sanction to increase the Ubit rates from As.6 to As.9 as requested by Rabkavi Power Supply Co. However the U/S proposes that the matter may be refe-rred to Mr. Rajput Electric Sub-Inspector, Miraj for his opinion in this matter and then final Orders may be issued in this case.

Jamkhandi,

Resubmitted.

2/- The Managing Director Rabkavi Elektric Power Supply, Rabkavi has requested to accord sanction to increase the rate of Unit charge from 6 As.to 9 As. per Unit.The grounds on which he is putting further this request are (1) Increased Prices of essential raw materials (2) The increased salaries of the staff (3) The losses which the Company is sustaining from begining.

3/- The Managing Director was asked to substantive his say. He has produced two Statements one(1) Showing the increased pri--ces of essential raw materialsin the years 1939 and 1948 and another showing the income and expenditure for the nine years ~~ankkar showing~~
It needs no proof that the prices in 1939 of all the essential commoditieshave been increased two times and three to four times in some cases. Due to high cost of living,the salaries have to be increased.Hence taking into consideration the financial p--tion of the Company it appears that the request of the Compan for allowing an inceasion the Unit charges is just and reason--able and deserves consideration.

4/- As stated by the Managing Director in his para No.7 in his latter. Information from the Power Houses at Athani,Jamkhand Miraj, and Bagalkot have been called and the statement showing the existing rates in these Power Houses is enclosed herewith the exception of Athani and Jamkhandi Power Houses all the othe Power Houses it appears,are charging 6As. per Unit for Lights -- and not 9As. stated by the Managing Director The Electric Power Supply Jamkhandi is charging 9As. per Unit for light but this rate seems to have been sanctioned by Shrimant Rajasaheb who -- owned the concer till Feb.1948.As regards Athani Electric Power Supply,sanction has been accorded by the Govt. of Bombay to cha--ge 33 1/3 as surcharge to meet the war rates under No. 6331/36 dated 9-8-44. A copy of the Government order is enclosed for favour of perusal. But even when this surgharge is allowed the charges comes to eight annas and not nine ann

by the Managing Director.

5. Since the Compnay has been installed in State area, they could not avail themselves of the concessions of charging surcharge which has been conferred on the Athani Power Supply. On account of War condition sanction has been accorded by the Government of Bombay under its No. 6331/36 dated 9-8-1944 to allow the Athani Electric licences to charge 33 1/3 to meet the rates of War costs. The conditions have affected the -- concerns in State areas equally with these in Dominion area.

6. The undersigned therefore submits that the advantage of allowing surcharge may also be extended to the Rabkavi -- power house as the concern is running at loss or the Company may be allowed to increase the unit rate from 6 annas to 9 annas. The undersigned further proposes that final orders in the matter may be passed after obtaining the remarks of the Electric Sub Inspector Miraj if necessary.

Orders as deemed fit may kindly be passed in the matter.

Re: Increase in unit rate.

We again beg to approach you for your permission to allow us to increase the unit rate from As 16/- to As 19/- per unit.

We have been corresponding with the authorities for over a year for the increase in unit rate but as yet nothing has been done in the matter.

The cost of labour, crude oil and other electrical goods has again gone up and we find it impossible to run the Power House in our present income.

So you will please expediate the matter and allow us to charge As 19/- unit from 1st Jan 1950 as otherwise it will be impossible for us to run the Power house in this income henceforward.

Sir,

I beg to place before you, the following facts for your kind and immediate consideration. Our Power House is charging As.6 per unit fro the last ten years. Now as the cost of oil and labour has gone up three times, it has become impossible for the Power House to make both ends meet. We are trying to get th e unit rate increased from As.6 to As.9 from the last two years with no good results. It gives me great pain to trouble you again and again to increas- our unit rate. It is impossible for the Power House to run any longer if its unit rate is not increased from As.6 to As9. So, I request you to permit us to charge As9 per unit from 1-12-1949. If we do not receive your reply in time, we will go on charging As.9 per unit from 1-12-49.inanticpation of your sanction. If your are not satisfied with our steps, we request you to inform us the same. We will go on with our present scheme until we receive a definate reply from you.
